## P2 Fusion Booster

### What is P2 Fusion Booster?

The course is to prepare younger students who are keen to learn Maths beyond the school curriculum. It aims to give the students a jump-start and hone the skills necessary for the P2 Fusion course.

### Who can participate in P2 Fusion Booster?

It is targeted at Primary 1 students as well as K2 students in advanced learning.

### Course Outline

The following topics will be covered but subjected to changes depending on the ability of the students:

- 1) Box Sums
- 2) Picture Math
- 3) Multiplication
- 4) Division
- 5) Basic Fractions
